Job Number 117976A
Contract No. 15-5302

THIS AMENDATORY CONTRACT is made and entered into this date of _____, by and between the MICHIGAN DEPARTMENT OF TRANSPORTATION, hereinafter referred to as the "DEPARTMENT"; and the CITY OF DETROIT, a Michigan municipal corporation, hereinafter referred to as the "REQUESTING PARTY"; for the purpose of fixing the rights and obligations of the parties in agreeing to this Amendment to CONTRACT #12-5537 as amended by 14-5365.

WITNESSETH:

WHEREAS, the parties to the Amendment have heretofore, by a Contract dated March 11, 2013, hereinafter referred to as "CONTRACT #12-5537 as amended by 14-5365" provided for the construction and financing of that which is hereinafter referred to as the "PROJECT" and is described as follows:

Reconstruction work along Civic Center Drive from the Jefferson Avenue Service Drive to Atwater Street, including traffic circle work; reconstruction work along the Jefferson Avenue Service Drive from Washington Boulevard easterly approximately 400 feet; drop-off circle construction work at the intersection of Washington Boulevard and the Jefferson Avenue Service Drive; and all together with necessary related work.

WHEREAS, the DEPARTMENT and the REQUESTING PARTY having appropriate authority desire to amend CONTRACT #12-5537 as amended by 14-5365 to provide for a decrease in the state participation ratio from 91 percent to 79 percent and an increase in the maximum state funding from \$2,539,200 to \$2,625,231 to be applied to the eligible items of the PROJECT COST.

NOW, THEREFORE, it is hereby agreed by and between the parties hereto that:

1. Section 5 of CONTRACT #12-5537 as amended by 14-5365 is revised to read as follows:

5. The PROJECT COST shall be met in part by contributions by TED FUNDS. TED FUNDS Category A shall be applied to the eligible items of the PROJECT COST up to an amount not to exceed the lesser of: (1) 79 percent of the approved and responsible low bid amount, or (2) \$2,625,231. The balance, if any, of the PROJECT COST, after deduction of TED FUNDS, is the sole responsibility of the REQUESTING PARTY.

The REQUESTING PARTY shall be responsible for the payment of all costs and expenses incurred in the performance of PROJECT work.

Based upon the final cost of the PROJECT, the final costs included in the grant, and/or a request by the REQUESTING PARTY, a payment adjustment may be initiated and/or authorized by the DEPARTMENT for eligible items of the PROJECT COST such that the total amount of TED FUNDS does not exceed \$2,625,231. The grant includes those activities of preliminary engineering, right-of-way acquisition, construction, and construction engineering related to the grant. The REQUESTING PARTY shall certify all actual costs incurred for work performed under this contract that are eligible for payment with TED FUNDS and will be required to repay any TED FUNDS it received in excess of 79 percent of the total of such costs.

2. EXHIBIT I of CONTRACT 14-5365 is superseded by EXHIBIT I REVISED, dated April 27, 2015 attached hereto and made a part hereof. Any references to EXHIBIT I in CONTRACT #12-5537 as amended by 14-5365 shall be construed to mean EXHIBIT I REVISED.

3. Except as amended by the provisions herein, all of the provisions, covenants, and obligations of the parties contained in CONTRACT #12-5537 as amended by 14-5365 shall remain in full force and effect.

4. The REQUESTING PARTY waives any and all claims it has or may have against the DEPARTMENT which arise out of the need to amend CONTRACT #12-5537 as amended by 14-5365.

5. This Amendatory contract shall become binding on the parties hereto and of full force and effect upon the signing thereof by the duly authorized officials for the parties hereto; upon the adoption of the necessary resolution approving said contract and authorizing the signatures thereto of the respective officials of the REQUESTING PARTY, a certified copy of which resolution shall be attached to this contract.
